- ✔ You may be trapped by just calling to tally informative Agencies because they sell your enquiry / calls on heavy charges to in-competent companies/individuals. For example :- A Customer just dialed the number XXXXXXXX and enquired for details of the best packers dealing in shifting of household goods and in reply got a name which, although sounded good and reliable, but infact came out as a "Fraud or Fake" company. Ultimately, an FIR was lodged against the culprit or more details.
- ✔ "Trademark" is must in the name of packing company to whom you are dealing as well as dispatching the goods nor in the name of another transport agent or any one else.
- ✔ Your household goods are highly valuable & you have lot of sentiments attached with it. So, do not book with anyone believing on phone. Just see their credentials, trust-worthiness and experience.
